EQUINE COMPREHENSIVE EVALUATION **Buyer Consent Form**

Name of Horse
Buyer
Seller

As the potential owner of stated horse, I understand that the exam to be performed is an evaluation of the horse's condition at the time of examination. An equine comprehensive evaluation includes an extended physical exam and an evaluation of soundness/lameness. I have not requested additional testing or procedures other than those I have checked below:

Blood testing (complete bloc	od count, se	rum chemi	stry, fibrin	ogen)
Drug/toxicology screen
